SCHEDULE 3: SCOPE OF WORK

The cutting of grass and cleaning the areas at the various locations in Villiersdorp every third week from 1 September 2022 to 30 June 2023. The cutting of the grass and cleaning the areas entails cutting the grass/shrubs and cleaning and removing all waste and litter as well as bagging it and bringing it to the nearest access site. Contractor will have to ensure that refuse bags are delivered, which the Municipality will supply.

Payments are to be completed after each period and the contractor to ensure a municipal official, preferably Senior Foreman: Solid Waste, Cemeteries, Parks and Gardens to complete an inspection before payment is made.

The contractor will be liable for all machinery and equipment needed for the uptake of the works.

The Contractor must abide by the Health and Safety Practise and take full responsibility for the job, public and personnel appointed.

PROJECT SPECIFICATIONS

1 PROJECT SPECIFICATIONS

SCOPE

This Project Specification covers a general description of the project, the facilities available and required, special features of the contract and the requirements to be met by the Contractor.

STATUS

Should any requirement or provision of the Project Specification conflict with any requirement or provision of any other specification section or clause that are applicable to the contract, the requirement or provision of the Project Specification shall prevail.

PS1 DESCRIPTION OF THE CONTRACT AND WORKS

The Contractor is to provide Labour (100% Unskilled Local Labour) for the preparatory works as well as clearing.

The Work is funded by and undertaken for the Theewaterskloof Municipality.

PS2 DESCRIPTION OF SITE AND ACCESS

PS2.1 Locality

Villiersdorp

PS2.2 Access to the Site of Works

Access roads are available to all the sites.

PS3 SITE FACILITIES AVAILABLE

PS3.1 HOUSING FACILITIES

No housing is available and the Contractor shall make his own arrangements to house his employees and for their transport to and from the Site of Works.

PS3.2 OFFICE ON SITE

No office facility is available on site and the contractor shall make his own arrangements for office facilities, if required.

PS3.3 POWER SUPPLY

The contractor will be accountable for all small plants and no power supply will be made available for small plants, whilst work is being completed at the site.

PS3.4 TELEPHONE FACILITIES

The Contractor shall make his own arrangements for telephone facilities at the site, if required. The contractor should note that Cell Phone reception is generally available on the site.

PS3.5 ABLUTION AND LATRINE FACILITIES

The contractor will provide his/her own ablution facilities

PS4 FEATURES OF THE CONTRACT REQUIRING SPECIAL ATTENTION

PS4.1 AUTHORITIES AND THE COMMUNITY

The Contractor shall comply with all the requirements of the Theewaterskloof Municipality insofar as the execution of the contract may affect or may be effected by the requirements and/or regulations of the said Authorities.

PS4.2 TIDYING

The Contractor shall ensure that all loads are properly covered at all times during loading and haulage.

The contractor shall be responsible to clean up any spillage or windblown waste that arises from improperly secured covers.

PS4.3 EXTENT OF WORK

The approximate extent of the work is listed below to assist the Contractor in understanding the contract.

PS4.4 DISPOSAL OF SPOIL

A site for the disposal of spoil will be provided by the Municipality within 5 km of the Site/s.

PS4.5 HOURS OF OPERATION

The Contractor to work at any operating hours which suits him and the community, as he/she is to ensure that all waste/litter is collected and removed.

PS4.6 OPERATION

The Service Provider shall:

Order and ensure the safe keeping of all the materials needed

PS4.7 PLANT

The Contractor will be responsible for all the planning and supply of the necessary plant and the Contractor must at all times have sufficient plant on site to carry out the required operations according to the Operational Manual. The contractor will be responsible for any delays due to small plant breakages.

PS4.8 EMERGENCIES

The Contractor must be available for all emergency services and situations. The Contractor must at all times be in contact with the operators on site, either by telephone or by radio.

PS4.9 PERSONNEL

The Contractor must submit a form indicating all personnel that will be present on site as well as their official duties.

The municipality has the power to request the removal of any personnel on site that acts negligently or is not complying with his/her duties.

The contractor may only employ labour from that specific area/town and not from surrounding towns. Hereby the contractor may only have his managerial team on site and no permanent labourers. The Contractor provides his own skilled labourer (e.g. Site foreman, Operators, etc.).

PS4.10 LOCAL LABOUR

It is a condition that local unskilled labour from the community be used on this project. The aim is to provide the greatest number of members of the community with an opportunity to obtain temporary employment and to enable local workers to increase their level of experience and enhance their ability to secure future employment.

PS5 EMPLOYER'S REQUIREMENTS

PS5.1 Commencement and Time for Completion

The work must commence within 15 calendar days from date of official order or as prescribed times and must be completed as per schedule.

PS6 MEASUREMENT AND PAYMENT

The Contractor shall submit to the Employer an invoice for the execution of the Works. Payment of such invoices shall be paid within 30 days of receipt thereof. Exemption will be made for SMME's upon request. (2 weeks for earlier payments)

I am aware that I must request the municipal representative to approve and measure any work done that will subsequently be covered by later work, before commencement of further work. Failure to adhere to this requirement will result in non-payment of the payment item in question.

Typical payment items falling within this category are the various cutting periods. The onus lies with the service provider to familiarize him/her with the quantity measurement approval requirements of all payment items before commencement of any work.

I am aware that payment will be made according to rate multiplied by the actual work done, measured in terms of the specified quality and unit of measurement description of the payment items. No payment will be affected for substandard quality.

Invoices must be submitted together with our municipal prescribed payment certificate format. Failure to comply with this requirement will result in non-payment until such stage that the payment certificate is submitted.

1.1 Additional Services

Act as the Employers agent in terms of the Occupational Health and Safety Act

The Service Provider, in submitting a tender for this contract, shall be deemed to have acknowledged acceptance of the appointment as the client's agent in terms of the Occupational Health and Safety Act, 1993 (Act No 85 of 1993) and the Construction Regulations of 2014, should the Employer accept the tender. The Service Provider shall, as such, execute all of the duties of the client as contemplated in the Construction Regulations.

If the Service Provider considers it necessary to employ the services of a safety specialist in order to execute the abovementioned duties, the cost thereof must be included in the fee tendered for this project.

The Service Provider shall, apart from conducting his own activities in compliance with the Occupational Health and Safety Act, 1993 (Act No 85 of 1993) and Construction Regulations of 2014, ensure that any subconsultants/sub-contractors employed by the Service Provider also comply with the requirements of the Act and Regulations. The Service Provider shall enter into an agreement with the Employer in this regard before the commencement of any work related to this contract (Form C1.3, Part C1, Page 8 refers).
