

Online Application Process

INTEGRATED LAND REFORM AND RURAL DEVELOPMENT SUPPORT PROGRAMME (ILRRDSP)

1. Before starting your application, review the advertisement and confirm that you meet all eligibility criteria. Save the required supporting documents on your device, connect to the internet, go to the farm or project site, and switch on your device's location services.
2. Go to the farm or project site before opening the application form, and keep your device's location services switched on throughout the application and submission process.
3. **Option 1: Launch using the QR code**
 1. Open the phone's camera app or QR-code scanner.
 2. Point the camera at the QR code and hold the phone steady until a notification appears.
 3. Tap the notification to open application form
 4. Complete and submit the application form

Option 2: Launch using the application-form link

1. Tap the application-form link provided in the advertisement: <https://arcg.is/1za5Hm5>. When the form opens, select the relevant programme advertisement, complete all required sections, upload the supporting documents, review the information, and submit the application.

Option 3: Install and use the ArcGIS Survey123 mobile app

1. Connect the phone to the internet.
2. Open the Google Play Store on an Android phone or the App Store on an iPhone.
3. Search for ArcGIS Survey123.
4. Select the official ArcGIS Survey123 app published by Esri.
5. Tap Install or Get, and wait for the installation to finish.
6. After installation, open ArcGIS Survey123 and select "Continue without signing in." Open the application form, download it if prompted, and complete the form by following the instructions below.
 - ☐ Complete all sections of the form, ensuring that all required fields are filled in accurately.
 - ☐ The following supporting documents are required: proof of land rights or proof of residence, as specified in the advertisement; a relevant technical support letter, where applicable; a business, production, farm, or project plan/profile; a constitution, where applicable; a membership list; applicable governance documents, such as CIPC and tax documents; a resolution authorising the application; and proof of own contribution, where required.

Important notes

Please ensure that all information provided is accurate and that all required documents are uploaded before submitting your application.

- ☐ The application must be completed on the farm/project site, with the location services (GPS) on your mobile device activated.
- ☐ The form is geotagged and captures the location from which it is submitted. Applications completed outside the farm/project location may not be considered.
- ☐ Applicants are advised to save all required supporting documents on their mobile devices before starting the application process to ensure a smooth and efficient submission.
- ☐ Towards the end of the form, you will be required to upload supporting documents. All supporting documents must be saved and uploaded.
